EDUCATION

KTU Technical University

B.Tech in Computer Science and Engineering — CGPA: 7.86

Kerala, India

2023 – 2027

PROJECTS

Event Hub College Website | *Flask, SQL, HTML, CSS, JavaScript*

- Developed a web-based platform to manage and showcase college events in an organized manner.
- Enabled students and faculty to access event schedules, announcements, and event details through a centralized interface.
- Implemented responsive web design to ensure compatibility across desktop and mobile devices.
- Improved communication and accessibility of event information within the college community.

Personal Portfolio Website | *HTML, CSS, JavaScript*

- Designed and developed a personal portfolio website to showcase projects, skills, certifications, and contact information.
- Implemented a responsive user interface compatible with desktop and mobile devices.
- Integrated GitHub, LinkedIn, and project showcase sections for professional visibility.
- Applied modern web design principles to create an intuitive user experience.
